

Certification of Completion

of the Snyk Summer School Program by

*Zadjad Rezai*

has successfully completed at least two out of three online workshops. During these workshops, we reviewed these topics: essential cyber security vulnerabilities for JavaScript, basic CTF exercises and autonomously finding critical vulnerabilities in your git. Thank you for your participation!

You are welcome to join our upcoming programs and continue learning with [Snyk Learn](#).

Snyk Summer School Director,

A handwritten signature in black ink, appearing to read "John Doe".
